Dual 'hook 'em horns' go into caused Dallas penalty, nike nfl jersey release, not at all leapfrog

By Chris Chase

It converts out partying that Sunday's celebration penalty all over the going to be the Dallas Cowboys wasn't and for leapfrogging, as was announced judging by the game's magistrate. Instead, going to be the team was flagged because receiver Sam Hurd (notes) joined Roy Williams on flashing going to be the University relating to Texas "Hook 'Em Horns" start after going to be the touchdown.

[Related: Most excessive TD celebrations]

NFL vice ceo of officiating Carl Johnson told Cowboys coach Wade Phillips throughout the Monday that going to be the penalty was called all over the Hurd whilst Miles Austin (notes) had been identified as the to blame party. It was assumed that Austin was flagged also his leapfrog performance so that you have Williams. But, nfl jersey display case, it would appear that Hurd was going to be the culprit owing for more information on the fact that this individual joined Williams, nike nfl jersey, a former Longhorns movie star, football jerseys, everywhere in the flashing going to be the universal Texas get on following going to be the class (watch the play below

"I attention a resource box was on Miles because the official on the sideline told my hand that when I asked kale, nike football jerseys nfl, this is because Phillips said. "And Carl Johnson said specifically that was by no means going to be the call and he / she is the fact that have been an upsurge about whether or not they had called element"

I'm confused. Hurd and Williams did a multi function joint celebration, college football jersey, and consequently I can make an appointment with one good reason a flag was ejected. But incredible would likely the VP of officiating have been a resurgence if going to be the flag had been thrown as well as for going to be the leapfrogging? Isn't that also a multi functional planned celebration forward and backward hundreds people. As we have now said before, nike nfl combat jerseys, they all are celebration penalties are lame, custom nfl jersey, but the reason may the NFL think that quite a few people flashing a multi function "Hook 'Em Horns" get on is usually that a whole lot worse than a minimum of one unplanned game relating to leapfrog? Under going to be the rationale both the are going to want be penalties.

A a whole lot better question might be a good reason Sam Hurd is the fact that bothering to understand more about present you with the the "Hook 'Em Horns" at all of them are. The 25-year-old recipient attended Northern Illinois University.
